P6	Computer Tech	<b>Photo 1/2 (CTE Elective)</b>	<b>IB Visual Arts HL (Art 1/2)</b>	<b>IB Visual Arts HL</b>
P7	PE	<b>Fit for Life/Health</b>	<b>The Core – TOK, CAS, EE</b>	<b>The Core, TOK, CAS, EE</b>
P8		<b>Parent Release (elective)</b>	<b>Parent Release (elective)</b>	<b>Parent Release (elective)</b>
Flex		<b>Study Hall</b>	<b>Study hall</b>	<b>Study hall</b>

\*students also have the option of taking an additional elective course for FLEX during 11<sup>th</sup>/12<sup>th</sup> grade

\*The CORE is IB Theory of Knowledge with built in support time for EE support (research and drafting) and CAS coordination and reflection.

### 9<sup>th</sup> grade Course Recommendations for future Weber High IB Students

**English 9 Honors** (We highly recommend that all students enroll in English 9 Honors. Although English 9 Honors is not required, students will need to have strong reading and writing skills to complete the IB program.)

**Geography** (AP Geography recommended)

**Spanish** (students don't have to take Spanish but having Spanish freshman and sophomore year is recommended)

**Science** (students should take Physics, Earth Science, or Biology. Please note that if a student intends on studying IB Biology then they need to choose Physics or Earth Science in 9<sup>th</sup> grade)

**Secondary Math 1 Honors** (we hope to see an accelerated path in 7<sup>th</sup>/8<sup>th</sup> grade in the near future so students can take Math 2 Honors in 9<sup>th</sup> grade when that happens we will also start offering IB Math HL at Weber)

**Computer Tech**

**PE** (full year)

### 10<sup>th</sup> grade Course Recommendations for Weber High IB Students

**English 10 Honors** (We highly recommend that all students enroll in English 9 Honors. Although English 9 Honors is not required, students will need to have strong reading and writing skills to complete the IB program.)

**Financial Lit/Government** (AP Government is encouraged)

**Spanish** (students don't have to take Spanish but a minimum of Spanish 1 is encouraged)

**Science** (students can take Physics, Chemistry, or Biology. If a student were to choose AP Bio in 10<sup>th</sup> grade then they should plan on IB Chemistry HL)

**Secondary Math 2 Honors**

**Fit for Life/Health**

**Art** (students wishing to study IB Art HL should take Art or Photo while students wishing to take IB Theatre SL should take Theatre 1/2)

**CTE Elective**

\*We highly recommend the above courses so that students have room in their schedules to complete all graduation requirements in addition to the IB Diploma Requirements. Not taking these courses in 9<sup>th</sup> and 10<sup>th</sup> grade will mean that students may have to give up an elective in high school or take a course online.
